

Looking up a CBS code on a keybox is easy!

- 1) Go to www.supraekey.com click on SupraWEB for agents.
- 2) Login screen appears. Enter your Supra key serial number, pin code and Pinellas Realtor organization. Click Login.

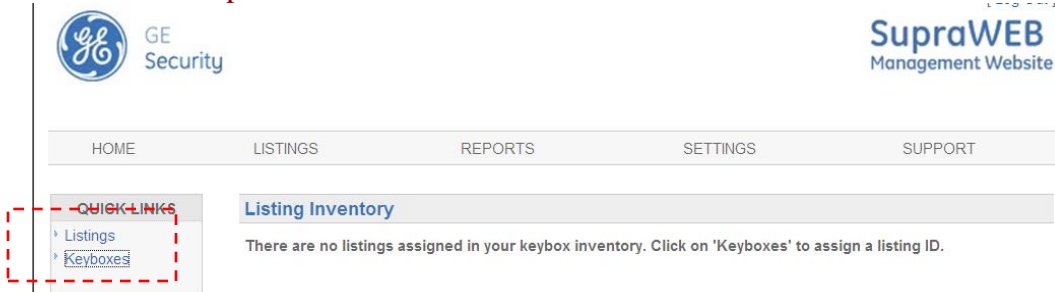

The login screen features the GE Security logo on the left and the SupraWEB Management Website logo on the right. A central form titled 'Welcome to SupraWEB!' asks the user to enter their serial number and PIN, and then select their board. The 'Serial Number' field contains '7541078', the 'PIN' field is empty, and the 'Board' dropdown menu is set to 'Pinellas Realtor Organization'. A red dashed box highlights the 'Login' button. Below the form, there is a link for 'Having problems signing in?' and contact information for support.

- 3) Click on Listings.

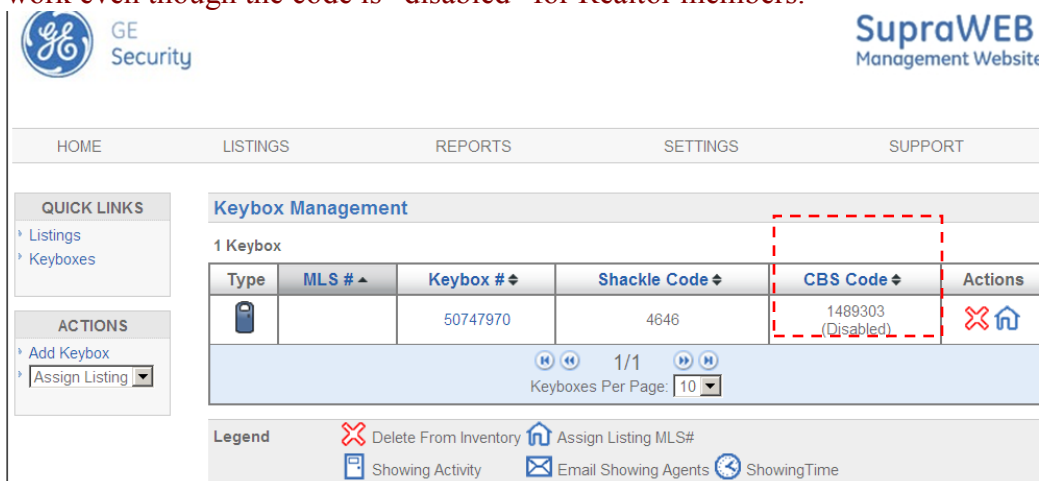

The dashboard shows the 'LISTINGS' menu item highlighted with a red dashed box. Below the navigation bar, there is a 'QUICK LINKS' section with options like 'UpdateCode', 'ActiveKEY Settings', 'Agent WebPAY', 'Add Keybox', and 'Assign Listing'. The main content area is titled 'Showings Dashboard' and includes a welcome message, a date range selector (1/20/2010 to 2/19/2010), and statistics: 'Showing Count: 61', 'Feedback Count: 0', and 'Feedback Reminders'.

- 4) Click on Keyboxes. Note: Keyboxes must have been added to your inventory to show on this report.

The 'Listing Inventory' section shows a red dashed box around the 'Keyboxes' link in the 'QUICK LINKS' menu. The main content area states: 'There are no listings assigned in your keybox inventory. Click on 'Keyboxes' to assign a listing ID.'

- 5) A list of your lockboxes will show with the CBS code. Note: Even though it states "disabled" the CBS code is required for affiliate members' keys. Their keys will work even though the code is "disabled" for Realtor members.

The 'Keybox Management' section displays a table with one keybox entry. A red dashed box highlights the 'CBS Code' column, which shows '1489303 (Disabled)'. The table includes columns for Type, MLS #, Keybox #, Shackle Code, CBS Code, and Actions. Below the table, there is a legend for the actions: 'Delete From Inventory', 'Assign Listing MLS#', 'Showing Activity', 'Email Showing Agents', and 'ShowingTime'.

| Type | MLS # ^ | Keybox # ⇅ | Shackle Code ⇅ | CBS Code ⇅ | Actions |
|------|---------|------------|----------------|--------------------|---------|
| | | 50747970 | 4646 | 1489303 (Disabled) | |
